

NessieException.h

```
graph TD; A[NessieException.h] --> B[string]; A --> C[exception];
```

A diagram illustrating the dependencies of the file `NessieException.h`. The file is represented by a gray rectangular box at the top. Two dark blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled `string` and the right box is labeled `exception`. Both boxes have a thin gray border.

`string`

`exception`
