

`Shape::operator+`

```
graph LR; A[Shape::operator+] --> B[Shape::addPixel]; A --> C[Shape::size];
```

A diagram showing a central node on the left, `Shape::operator+`, which is a gray rectangle with a black border. Two blue arrows originate from the right side of this node. The top arrow points to a white rectangle with a black border containing the text `Shape::addPixel`. The bottom arrow points to another white rectangle with a black border containing the text `Shape::size`.

`Shape::addPixel`

`Shape::size`
