

WordRate.hpp

```
graph TD; WordRate_hpp[WordRate.hpp] --> utility[utility]; WordRate_hpp --> string[string];
```

A diagram illustrating the dependencies of the WordRate.hpp header file. At the top, a gray rectangular box contains the text 'WordRate.hpp'. Two dark blue arrows originate from the bottom edge of this box and point downwards to two separate white rectangular boxes. The box on the left contains the text 'utility', and the box on the right contains the text 'string'. This visualizes that WordRate.hpp includes both utility and string headers.
