

Recognizer::updateImage

```
graph LR; A[Recognizer::updateImage] --> B[Clip::column]; A --> C[Clip::height]; A --> D[Clip::row]; A --> E[Clip::width];
```

A diagram illustrating the relationships between a function and its parameters. On the left, a gray rectangular box contains the text `Recognizer::updateImage`. Four blue arrows originate from the right side of this box and point to four separate white rectangular boxes on the right. These boxes, from top to bottom, contain the text `Clip::column`, `Clip::height`, `Clip::row`, and `Clip::width`. All boxes have a thin black border.

Clip::column

Clip::height

Clip::row

Clip::width
