

NessieException.h

```
graph TD; A[NessieException.h] --> B[string]; A --> C[exception];
```

A diagram showing a header file, `NessieException.h`, at the top in a grey box. Two dark blue arrows point downwards from this box to two separate white boxes below. The left box contains the text `string` and the right box contains the text `exception`. This indicates that `NessieException.h` depends on or includes both `string` and `exception`.

`string`

`exception`
